OUR SUPERINTENDENT

Dr. Harold L. Richards

MOST IMPORTANT TO OUR HIGH SCHOOL

A vital part of the make-up of every high school is its superintendent. Dr. Richards, our superintendent, is one of those rare people who still believes in pioneering. Community High's "Two Two Plan," now in its first expansion, has drawn national attention to our school. He is also an active participant in local, state and national educational committees.

Yes, it is true that Dr. Richards has been active in many things, but his first interest is Community High. His twenty-two years of devotion and guidance are a living witness to this fact.

JUNIORS HAVE VARIED INTERESTS

The cast of the 1956 Junior Class Play take a curtain call. Left to right are: Gail Brody, Barbara Bahr, Kay Collins, Betty Rick, James Anderson, Nan Gerdes, Dick Williams, Mr. Stough, director, Lynn Roegner, Jane Thompson, Beverly Maximoff, Larry Witt, Wayne Whitehill, and Bob Schutts.

Chemistry is very absorbing, to judge from the serious expressions on these faces. Left to right are Jim Patno, Sue Withers, James Wright, and Carol Baza. In the background, Doris Sundland. James Wright is operating the Bunsen burner to distill alcohol in the flask, while Jim Patno is preparing to collect the distillate. This scene is from Mr. Akay's eighth period class.

Miss Hoiden's first period English class members are enjoying themselves listening to different book reports. These students prepare themselves weeks ahead of time to make their reports interesting and exciting. Standing left to right: Pat Cure, Ron Davis, Ed Watson, Bonnie Peasley, Marilyn Mussar. Seated: Chairman Judy Geyer, Clinton Brown, Alvina Wroblewski, Charles Marsh, Jim Wlaer. Second row: Miss Hoiden, Frank Bobiarz, Francis Keevil, Richard King, Marvellene Johnson.

Mr. Caauwe is explaining the duties of the sophomore class officers to this newly elected group. Left to right are Ron Alderson, president; Bob Buciak, vice-president; Crystal Starr, secretary; Valerie Sis, treasurer; and Mr. Caauwe, principal of the sophomore class

1956 — BASKETBALL — 1957

Although the basketball season at Community High wasn't too bright this year, the Big Red cagers played good basketball. At the end of conference play they were in fifth place, displaying good sportsmanship and fair play at all times.

One of the highlights of the season was the big upset against Lockport, on Jan. 11. Lockport came to CHS with an undefeated record, but the Cards, in an exciting and well played game, handed the Porters a 47 to 42 defeat. Another encouraging fact was that the Cards won all of their non-conference games during the regular season.

GRAPPLERS LOOK GOOD

FOR THE FUTURE

With the return of only three letter men from the 1955-56 team, it was anticipated that a rough season was in store for the Cardinal wrestling team.

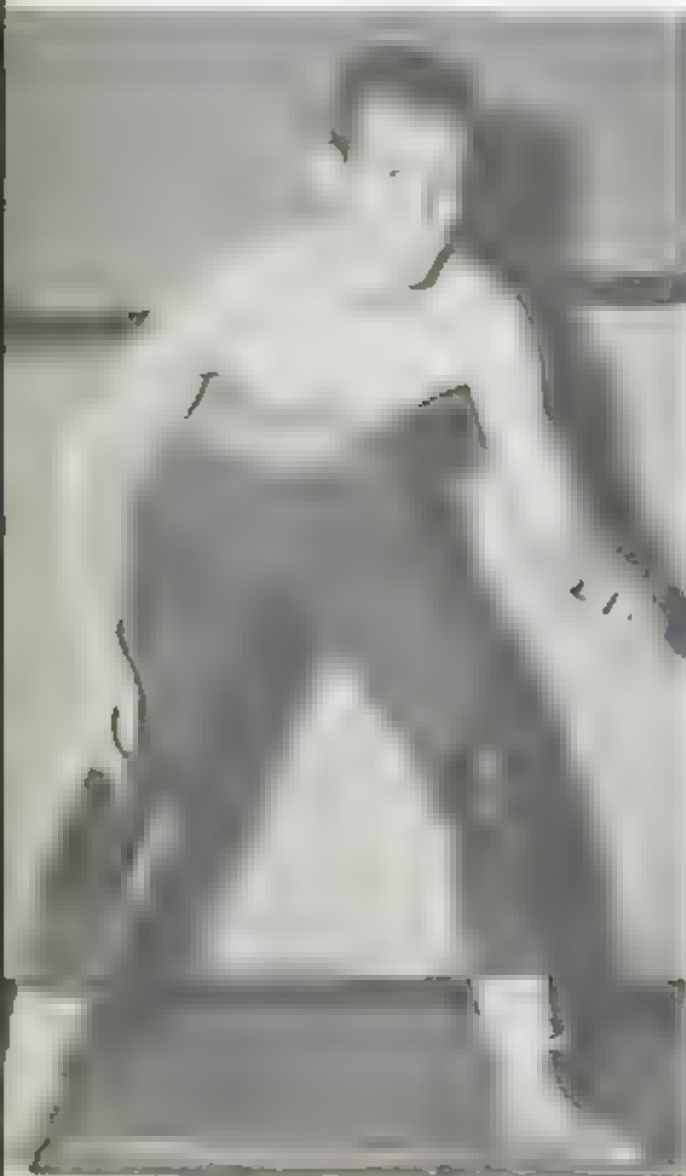

After losing six of the first matches, the team picked up and found some success in winning three and tying one while losing to Thornton.

The conference tournament was won by Fractional, with Community High taking a disappointing fourth place. Bob White, heavyweight and Jim Cianci, 145 pounds, took second places. Houston Thaggard, 112, Fitcher Weathington, 133, and Harvey Mulderink, 175 earned third places while John Dean, 103, Marvin Willett, 120, and Charley Ridgner, 165, gained fourth places.

In the sectional tournament, held here, the Big Red did better, taking third place behind Thornton and Fractional. Both Fitcher and Charley won first place medals, and Bob White took a second. Marvin Willett, Dick Williams, 154 pounds, and Harvey Mulderink took fourth places.

The Varsity baseball team getting off to a shaky start in 1956 came through in splendid style. After dropping the first two exhibition games by a lopsided score, the boys finally got going. The "Big Red" went through the season and ended up as co-champion with Thornton Twp. for the South Suburban Crown.

The Cards then started on the tournament trail. After winning the district crown at Oak Lawn, where they had a win and a loss, they then journeyed to Elgin, where they beat Proviso, who had dealt the Cards a shattering earlier this season. Later they beat Bloom Twp. for the sectional crown. The Cards then went to Peoria for the state tournament and lost to DuQuoin 2 to 1.

The 1956 Varsity tennis team was a young squad. It consisted of two seniors, Jack Bronson and Norman Sadler, both four-year members of the squad. These two veterans had a banner season as a doubles team. They captured the South Suburban Conference doubles team title and the Joliet District doubles team championship. Although they were seeded for the State Tournament, they did not compete because of an injury to Jack Bronson.

The remaining members of the Varsity team were six juniors: Dick Jebson, Ed Pfeiffer, Bill Rigg, Dave Salapatek, Bill Schaller, and Bob Schultz. Ed Pfeiffer was runner-up in the conference singles tournament and a semifinalist in the district tournament. Dick Jebson and Bob Schultz gained the runner-up position in the conference doubles tourney and a semifinalist berth in the district doubles tournament.

As a team the Varsity won fifteen dual meets and lost three. The three defeats were administered by La Grange, Oak Park, and Pekin. Among the victims of the Cardinal Varsity were Danville, Elmhurst, Fenger, Glenbard, La Grange, Maine, Peoria Central, and Riverside-Brookfield. The Varsity also won the South Suburban Conference team title, gained second place in the Joliet District, and finished twelfth among the thirty-four teams qualifying for the State finals.

During the 1956 season the Fresh-Soph squad won seven dual meets and lost five. These young Cardinals also gained second place in the team standings in the South Suburban Conference tournament. The doubles team of Ken Bronson and Dick Smith won the conference fresh-soph doubles team title.

FRIENDS...

Are Always Good to Have

And this year, the Chips Staff had many to help them with the yearbook.

In school, Miss McQuistan, Mrs. Rogers, Mrs. Soldan and their classes took over most of our typing. Mr. Kias was our financial record keeper.

In the business world, the Root Studios and the Norman King Company, producers of quality year books, were gracious and kind and helpful to us, as they have been for many years.

THANKS, FOLKS!
